

Kind-Hearted Hand
Words and Music by Peter B. Seltser

Help me make a stand
Every girl, boy, woman and man
Let your voices rise, you'll be satisfied
When you reach out with a kind-hearted hand
Reach out with your kind-hearted hand

It's easier than you think
Just be kind to those who you meet
There's a friend out there, who needs your care
So reach out with a kind-hearted hand
Reach out with your kind-hearted hand

Calling out across the oceans
Calling out across the land
Show the world that kindness matters
And reach out with a kind-hearted hand
Reach out with your kind-hearted hand

When sunny skies turn grey
Follow me; I'll lead the way
Here's where we begin, let some love come in
And reach out with a kind-hearted hand
Reach out with your kind-hearted hand

Reach out, reach out, reach out, reach out
Reach out with your kind-hearted hand
Reach out, reach out, reach out, reach out
Reach out with your kind-hearted hand

Reach out, reach out, reach out, reach out
Reach out with your kind-hearted hand
Reach out, reach out, reach out, reach out
Reach out with your kind-hearted hand
